NOTES		Apply for permission to enter the building at the Security Center on the first floor of M&D Tower 2 hours before the library's closing time and go up to the 3rd floor where the library located.	▶From May 8, 2023, those who are not currently enrolled in the University of Tokyo can come to the library without a reservation.	For the implementation of our entrance/exit management system, please use the intercom to contact the staff inside the building when you visit.		Please make a reservation in advance before visiting. On the date you visit, place the QR code we provide on the security gate's QR code reader. Then, take either elevator A or B to access the 9th floor where the JAMC is located.
