

Juntendo University Open Access Policy

Determination by the CEO and President

August 19, 2020

[Objective]

1 Juntendo University (hereafter “the University”) has established the following Open Access Policy with the aim of contributing to the further development of academic research and the sustainable development of the local and international community by providing the research outputs by the university's faculty and students to the public both locally and globally.

[Open Access Research Outputs]

2 The University provides open access to the research outputs (hereafter “Research Outputs”) by the faculty and students (hereafter “Researchers”) published in academic journals by commercial publishers, academic societies, or university departments through any of the following methods.

The ownership of the copyright of such Research Outputs will not be transferred to the University.

- (1) Reposit in Juntendo Academic Information Repository (hereafter “Repository”).
- (2) Publish in an open access journals.
- (3) Select an open access option and publish them on a publisher's website.
- (4) Deposit in repositories established by external organizations.

[Exception]

3 The University will not make the specific research outputs open to the public via the Repository if a waiver is requested due to copyright or similar protection.

[Non-retroactivity]

4 This policy shall not apply to the research outputs which have been published prior to its implementation or contractually conflicting with it.

[Deposit in the Repository]

5 Faculty members who make their research outputs open access via the Repository will submit the appropriate version of the manuscript (e.g., author's version, publisher version) that is permitted to be deposited into the Repository as soon as possible.

Deposition, release, and all other issues related to the Repository will be implemented in accordance with "Juntendo Academic Information Repository Operation Guidelines".

[Other]

6 Open access issues unstated in this policy will be discussed among the parties concerned.
