

Juntendo Hospital International Desk

The International Desk is dedicated to meeting the needs of you and your family in case of a medical emergency or long term medical care.

If you wish to make an appointment, please send us your (or your family member's) name, date of birth, medical history and/or current medical treatment by email or fax.

Your information will be sent to the appropriate doctor for review.

Thereafter, an International Desk staff will contact you to arrange an appointment.

The nonresidents who do not have Japanese public health insurance is charged at a rate of 30 yen per 1 medical remuneration point from April 1, 2018.

Should you have any questions regarding medical care or payment, please feel free to contact the International Desk.
