

Notes for examinations in campus for AY2023 admission to Doctoral Program

Juntendo University Graduate School of Health and Sports Science

As stated in the Student Application Guidelines, the entrance examination for the Doctoral Program of Juntendo University Graduate School of Health and Sports Science is premised on face-to-face entrance examinations for examinees in Japan, but we will pay close attention to the health and safety of the examinees and take measures to prevent infectious diseases before conducting the entrance examination. Examinees are required to keep the following points in mind.

<Before examination>
<ul style="list-style-type: none">• Please pay careful attention to physical condition management, such as hand washing, wearing a mask, and encouraging daily temperature inspections, which are basic measures to prevent infectious diseases.• If you have been diagnosed with Covid-19 infection or are considered a close contact person from a public health center, etc., and you are absent from the entrance examination just before the exam date, please contact the following contact information before conducting the entrance examination. If you are absent without contact, we will treat it as a normal absence.
<Exam day >
<ul style="list-style-type: none">• Alcohol disinfectant will be installed in the entrance and exit of the venue, so please cooperate with hand disinfection.• On the morning of the exam day, please check that there are no problems with your physical condition. When entering the University, please use the temperature inspection camera installed at the entrance of the 1st floor of Building 1.• Please wear a mask to prevent infection while you are enrolled at the University. You will be asked to temporarily remove the mask if the examination supervisor instructs you during the examination in order to verify your identity.• If you become unwell during the examination, please contact the faculty and staff of the University.
